## Marion Jayne Perpetual Trophy

**Shelby Bowles & Jim Reed**

**Cessna Skymaster**

The Marion Jayne Perpetual Trophy was awarded in recognition of the team whose skills resembled the depth and breadth of flying talent personified by Marion herself. Shelby and Jim demonstrated their navigational skills in the California 300 and Cleveland 300 Air Race and in the 2100-mile Marion Jayne race won their division on the 7th of seven legs. With the combined results of these three events, Shelby and Jim received the Perpetual Trophy from Patricia Jayne (Pat) Keefer, Marion's daughter.
