## Marion Jayne Perpetual Trophy

### Mike Jones and Rick Vandam Glasair III

The Marion Jayne Perpetual Trophy was awarded in recognition of the team whose skills resembled the depth and breadth of flying talent personified by Marion herself. Mike and Rick, in particular, demonstrated their navigational skills in the Hutchinson 300 Air Race and the Stevens Point 300 Air Race. Together they executed a great race strategy in the Marion Jayne Air Race. With the combined results of these three events, Mike and Rick received the Perpetual Trophy.
